Part I Coronary Artery Disease

1	Women and Invasive Diagnostic Procedures	3
	Yolande Appelman and Monique ten Haaf	
2	Intracoronary Imaging and Intracoronary Functional Tests	23
	Maria D. Radu and Lene Holmvang	
3	Interventional Treatment of Stable Coronary Artery Disease in Women	37
	Ieva Briede and Marie-Claude Morice	
4	Interventional Treatment of Acute Coronary Syndrome (ACS): Non-ST Elevation ACS (NSTEMI-ACS)	51
	Piera Capranzano	
5	Interventional Treatment of Acute Coronary Syndrome: ST-Segment Elevation Myocardial Infarction (STEMI)	61
	Giulio G. Stefanini, Margherita Soldi, and Bindu Kalesan	
6	Peri- and Post-procedural Antithrombotic Therapy in Women	73
	Stefanie Schulz-Schüpke	

Part II Structural Heart Disease

7	Aortic Valve Valvuloplasty	105
	Cristina Giannini	
8	Transcatheter Aortic Valve Implantation	113
	Martine Gilard and Jacques Boschat	
9	Mitral Valvuloplasty for Mitral Stenosis	129
	Benjamin Beska, Christopher Eggett, and Vijay Kunadian	
10	Treatment of Mitral Regurgitation	141
	Anna Sonia Petronio	

11	Surgical and Percutaneous Treatment of Tricuspid Valve Insufficiency	147
	Alessandra Sala and Francesco Maisano	
12	Left Atrial Appendage Closure	159
	W. Hamm and A. Bauer	
13	Closure of Atrial Septal Defect and Patent Foramen Ovale	169
	Shakeel Ahmed Qureshi	

Part III Arrhythmia and Conduction Disease

14	Ablation of Atrial Fibrillation in Women	185
	Stephanie Fichtner	
15	Biventricular Pacing in Women for Heart Failure	191
	Maria Grazia Bongiorni and Francesca Menichetti	

Part IV Peripheral Artery Disease

16	Thoracic and Abdominal Aorta Percutaneous Treatment	207
	Roberto Chiesa, Enrico Rinaldi, Luca Bertoglio, Enrico M. Marone, and Domenico Baccellieri	
17	Treatment of Peripheral Arteriopathy in Women	221
	Marianne Brodmann and Marco De Carlo	
18	Gender Differences in CAS	231
	Marco Borghesi, Luca Dozza, Roberto Nerla, Antonio Micari, Chiara Grattoni, Fausto Castriota, and Alberto Cremonesi	

Part V Complex Clinical Scenarios

19	Percutaneous Treatment During Pregnancy	253
	Patrizia Presbitero and Giacomo Giovanni Boccuzzi	
20	Left Ventricular Assist Devices	265
	Christina Baum, Alexander M. Bernhardt, and Renate B. Schnabel
